

Future Church Boasts, “NO LONGER CHRISTIAN!” Cleveland Diocese Boots FUTURECHURCH!

5/5/04

FutureChurch and its matriarch, Christine Schenk has for years promoted her blatantly anti-Catholic agenda in the Cleveland Diocese as the solution to the problems that enveloped the Church from the early 60's. Including her audacious attempt at overthrowing the Christ ordained Apostolic authority and order in the Church by insisting she and her followers are the authentic Magisterium of the Church, the moral and theological agenda she is pushing is the very same dissident and schismatic one that precipitated the crisis in the Church in the first place! Rebellion against the Church's faith and its moral teachings and its established authority created the moral crisis we are in and now this same crisis is being used by these same rebels in a gigantic power play which if successful would mean the death of Catholicism and Christianity itself. *These forces of darkness within the Church have already killed the faith in millions of Catholics and left the entire world vulnerable too the worst of Satan's plans as the Moslem world accelerates its violent reaction to Western moral decadence.* Far too many yet cannot see the handwriting on the wall or that God could be writing His last warning to us in Arabic.

92% of the sex abuse in the Church has been *homosexual* perversity. This should be no surprise since homosexuals are *far more* promiscuous and indiscriminant in their activities. Precisely for this reason they are *far more* prone to contract and spread HIV. Further, among so-called “committed couples,” including lesbians, domestic violence is *far more* prevalent than among heterosexuals. — Despite these facts, Biblical and Church condemnation and the verdict of every civilization of mankind, Christine Schenk/FutureChurch wants the Church to legitimize sodomy and bless homosexual and lesbian “marriages.” To allow even more sexual freedom, Schenk insists that birth control and abortion are also to be left to the individual to decide. To her neither the Scriptures nor the Church have any absolute moral teaching authority. She claims to stand above them both! *That* is what Schenk means by “we love the Church... We're working to make it better!” She loves the Church like a vampire loves its victims!

Well, the truth is out. While Miriam Therese Winters at the FutureChurch “festival” of March 1, 2003 was calling St. John the Evangelist “a liar” and telling her Resurrection parish crowd, “Don't buy into the Scripture,” her mesmerized audience began thinking how they could correct the lies in Scripture and re-define Jesus Christ so to use Him for their own ends. Call to Action, which claims FutureChurch to be one of their regional units, did us all a great favor by reporting on the resulting Scripture rewrite in its April 2003 publication: “You are no longer Jew or Greek, slave or free . . . *You are no longer Christian* or Muslim . . .!” Of course, it was only a matter of time before these misleaders would come out and admit they are no longer Christian but merely hiding under the mask of Christian terminology. Their broad based Wiccan connection is very well documented in our “FutureChurch the Truth Behind the Mask,” in noted author Donna Steichen's *Ungodly Rage* by Ignatius Press, and her article “Building Goddess Paganism.” Both articles are available for reading on our website www.saveourchurch.org

Welcome to reality! Jesus Himself said that in the last days that the “Abomination of Desolation,” of which Daniel himself spoke, “would stand in the holy place.” At that time because of this desecration, Jesus also said, “there shall be a great tribulation.” When Our Lord then warned, “there shall arise false Christs,” He certainly had in mind the false Christ of FutureChurch and Call to Action *who has now been divorced from Christianity itself*. This is deceit at its worst. It is the deification of Man, who according to FutureChurch now reigns above both Holy Scripture and the Church! (St. Matthew 24:15,24) See also II Thessalonians 2:3-13!

STATEMENT OF THE DIOCESE OF CLEVELAND REGARDING AN ORGANIZATION KNOWN AS “FUTURE CHURCH”
“Future Church” (a.k.a. “FutureChurch”) is not an organization affiliated with the Catholic Diocese of Cleveland nor does it have the support or approval of the Bishop of the Diocese. “Future Church” is an independent organization of individuals who promote an agenda that is not consistent with the teachings of the Roman Catholic Church, and who are fully responsible for the arrangement of their own programs and activities. Based on the preceding statement, it is not appropriate for the activities and meetings of “Future Church” to be held in church related institutions and/or parish facilities.

Though this position of the Diocese is certainly minimal it is clear that it is inappropriate for any Catholic to belong to or support this group in any way. Any Catholic who does so should be excommunicated as Bishop Bruskowitz of Lincoln Nebraska has done. **Every pastor in this Diocese should publicise this edict from our Bishop by placing it in his Sunday Bulletin and see that it is enforced in his parish.** Ask your priest to do so!
